Pursuant to Section 153 of the Local Government Act

Council recognises that hardship can result from the imposition of substantial increases in Council rates. Applications for relief by way of rate capping will be received and considered where the increase in rates levied upon a property exceed the 2015/16 rates levied by more than 15%. Such capping will only apply to residential properties that have not been subject to improvements and that have been the ratepayer's principal place of residence since 1 January 2015.

Property Details

Assessment Number A _____ Valuation Number _____
Address _____
Owner _____

I declare that;

The property has been my principal place of residence continuously since 1 January 2015, and

I have not undertaken any improvements to my property which would have affected the valuation of the property, and

The increase is not due in whole or in part to an increase in valuation of the property attributable to a change in the zoning of the land under the Development Act 1993.
