Who can apply?

Applications will only be considered from not-for-profit organisations or groups including:

- Incorporated associations;
- Not-for-profit companies limited by guarantee.

Note: Individual applicants are ineligible to apply.

Application and approval process?

Applicants seeking funding or in kind support can apply by submitting an application form within the given timeframes. Two hard copy submissions must be lodged.

Separate applications must be submitted by organisations applying for multiple events/festivals i.e. one application per event/festival.

All questions in the application form must be answered and any requested attachments provided in order to be assessed.

You must not refer to an attached document as your only response to a question. You may, however, reference an attachment in support of your answer.

The City of Victor Harbor reserves the right to request further information in considering any application, as well as the right to reject any application that does not meet the criteria.

Applications may be assigned to a new funding program as part of the assessment process if the original funding program selected by the applicant is not deemed the most appropriate for the nature and scale of the event/festival proposed.

If you are using an outdoor public space for your event (e.g. Reserve, Park, Oval, street) you are required to make a tentative booking prior to submitting your sponsorship application.

If Council endorses your application for funding, you are responsible for confirming your venue booking and for all infrastructure required to hold your event or festival, unless otherwise agreed in your sponsorship.

Sponsorship approval does not automatically provide approval for the use of Council's public land or facilities. Event Reserve Hire or Facilities Hire application and necessary development approval processes must be completed, and subsequent approval granted prior to your event being held.

Notification and Payment/Delivery

Following the decision at a Council meeting, all applicants will be notified in writing of the outcome of their application. The decision will also be included in the Council meeting minutes.

The funding decision made by Council is final.

Prior to payment all successful applicants will be required to:

- Provide a tax compliant invoice for the agreed amount of funding plus GST (10%) (if registered for GST)
- Sign a funding agreement detailing the terms and conditions of the sponsorship funding.

Reporting and Acquittals

All successful applicants will be required to complete a Post-Event Report on all outcomes of the project supported by the City of Victor Harbor. Where financial support has been provided an acquittal will also need to be completed.

Reporting is required within 90 days from the conclusion of each event/festival.

Applicants who do not complete and return the post-event report and/or acquittal report will be ineligible for future funding.

How are sponsorship applications assessed?

Once submitted, an application will be assessed against the following:

- Eligibility criteria;
- Assessment criteria;
- Available Council funding.
- The alignment of the event with Councils strategic objectives.

Assessment Criteria

The Festivals & Events Sponsorship Program is highly competitive and the City of Victor Harbor can receive more funding applications than it can support.
