CONDITIONS OF TRAVEL

Travel of vehicle is approved subject to the following:

-) All of the information contained on this application is to be true and correct.
-) That the Department for Planning, Transport and Infrastructure (DPTI) Transport Services Division (Transport SA) approval has been gained for travel on the described route, meeting requirements of the Road Traffic Act 1961.
-) Only approved roads within the City of Victor Harbor as authorised by Council **and** DPTI Transport Services Division may be accessed by the vehicle/s identified in this application.
-) Council's permit for over-dimensional and/or excess mass may be revoked at any time by Council as a result of changing conditions and/or for any breach of the terms and conditions by the applicant.
-) Any property, infrastructure, equipment and/or personal damage resulting from access by the applicants vehicle/s will be wholly repaired at the applicants' expense and as soon as it is reasonably practicable in consultation and liaison with Council and to Council's satisfaction.
-) Any tree or vegetation along the road reserve must not be damaged or removed. If pruning is deemed necessary to provide clear access, this is to be performed by Council, with the costs met by the applicant.
-) This permit does not include any approvals required under the Development Act 1994. Development approval should be received, if applicable, before delivery.

Disclaimer

-) Council is not liable where any relevant additional information is not provided in full or in part for whatever reason.
